To Whom It May Concern:

Ose for Congress filed a FEC Form 10 on April 1, 2008. On that filing, the third expenditure was missing the check mark that indicates that it is a loan. Unfortunately, there is not a method for amending the original form filed.

Per the FEC analyst s instruction, Ose for Congress has filed a duplicate FEC Form 10 on April 2, 2008 to clarify the loan status of all the reported expenditures.

Sincerely,

Vona L. Copp
Treasurer
